Adeline Curtis lands an internship with the mysterious and powerful Jon Banks. Night and day, Addie struggles to fulfill his overwhelming demands.

But when the innocent intern discovers a naughty bondage video on her boss's office computer, Addie can hardly believe what she's seeing: beautiful young women being tied and teased by older men.

She realizes that Mr. Banks is hellbent on teaching his seductive intern the rules of love and submission.

When Addie's ordered by her dominating boss to accompany him on a business trip, she suspects that he has more in mind for her sexy young body than he'll admit. Mr. Banks introduces Addie to strange new pleasures...all designed to tie her closer to him.

But when she discovers the devastating secret behind why she landed the coveted internship in the first place, she's faced with an impossible choice.

Torn between her family and the man she loves, will Addie stay with the man she's been trained to obey?
