Reading Thought-Units: Faster Reading, Through Faster Comprehension David Butler

Read Faster, by Comprehending Faster

Speed Through Text, by Imagining Thought-Units Instead of Listening to Words

Here is an easy way to strengthen your comprehension and increase your reading speed. Whether as additional practice material after completing *Reading with the Right Brain*, or as an introduction to the subject, *Reading Thought-Units* gives you 12 interesting short stories, divided into 43 individual practice segments for an easy way to develop the powerful ability to read whole ideas at a time. Practice reading with these specially formatted short stories, and your reading will be a rapid flow of ideas, rather than a slow trickle of words.

"Speed Comprehension"

Reading IS comprehension. There is no reading *without* comprehension. Therefore, the only way to read faster, is to *understand* faster. The exercises in this book will make this easy to learn by presenting text in actual "thought-units," which are short meaningful phrases that can be quickly understood at a glance.

- **Read whole ideas at a time.**
- **Strengthen your comprehension.**
- **Sharpen your concentration.**
- **Reduce your vocalization.**
- **Improve your retention.**
- **Increase your speed.**

Poor reading skill is a frustrating obstacle to increasing your knowledge and personal influence. It is also embarrassing and a great waste of your time. Now is the time to invest in acquiring the reading skills you want. There is also a free accompanying website at readspeeder.com where thousands of people have improved their reading skills. But there is still nothing quite as effective as a real book to practice real reading. That is the purpose of this book, to make learning to read thought-units as easy and natural as possible.

As a gift to you for buying this book, there is also a **FREE BONUS** of three complete downloadable PDF novels which will give you a total of over a half million more words of practice material, and all of the text in these classic novels has been prepared with thought-unit formatting.

Plus: Your purchase of the paperback book on Amazon also entitles you to the Kindle version for FREE.

From others who bought *Reading Thought-Units*:

- "This is the only way to learn to read fast."*
- "Not your typical 'speed reading' book"*
- "I returned the other speed reading books today."*
- "I wish I had had this book when I was getting my doctorate in computer science."*
- "Unlearning a reading process which has plagued most of us since grade school"*
- "Doesn't force the speed, the speed comes with mastery of the technique."*

Whether you're an overworked student, a busy executive, or simply someone who wants to start enjoying your reading, make this the next book you read.

Buy Your Copy and Start Reading Faster *Today*.
