Taking the CRAZY Out of Your Family Celebrations! Margit Crane

Ahhh... family celebrations: fun, shame, laughter, aggravation, and more fun. With these extremes, it's often challenging to maintain one's poise and dignity. In fact, in some families, "poise" and "dignity" are foreign words. In their second book, Margit Crane & Barbara Dab explore the messy and wonderfully irreplaceable charm of that most time-honored of gatherings - the family celebration. The authors lovingly and humorously guide the reader through the ins and outs of family dynamics and share a guaranteed process to uplift any family celebration. Even yours. "We dedicate this book to families everywhere - may you always be in love with the unruly beauty of your own dear tribe."
