Everyone benefits when women discover the joy of bonding...face it girls, we are good at this. We can connect with the woman in front of us at the market, or exchange child-rearing tips with someone we just met in an elevator. Men don't do this, and more amazingly, don't want to (they don't know what they're missing!) The truth is, God made us this way.

The Sister Circle Handbook celebrates the joy of sisterhood and is perfect for small group use. It showcases twelve life-issues (like Moods, Forgiveness, Gossip, Dealing with Difficult People, Disappointment...) and offers biblical and sister-to-sister solutions. The material is not day, month, or year dated, nor is it seasonally defined, so it can be started at any time (we girls need flexibility!)

And there's more...outreach ideas, party starters, and yummy recipes just to keep you going. The tone is not preachy-teachy but conversational, and is fashioned with a heady mixture of female wit and fun interwoven with substance.

In addition, the Sister Circle Handbook is a great companion to the four Sister Circle novels by Nancy Moser and Vonette Bright. The goal is for every woman to develop her spiritual life, nourish sisterhood, and find joy in sharing her faith. Both new and seasoned believers will be enriched by the experience. So open up the Sister Circle Handbook and have fun with the to-dos, how-tos, and good news about being a Sister in Christ!
